CORRIGENDUM

Due to a production error in “Reflection of Planetary Waves in Three-Dimensional Tropospheric Flows,” by Gudrun Magnusdottir and Peter H. Haynes, which appeared in the 15 February 1999 issue of the *Journal of the Atmospheric Sciences*, Vol. 56, No. 8, 654, the definition of potential vorticity appeared incorrectly.

The corrected definition appears below:

\[
P = \sigma^{-1} \left[ 2\Omega \sin \phi + \frac{1}{a \cos \phi} \frac{\partial v}{\partial \lambda} - \frac{1}{a \cos \phi} \frac{\partial (u \cos \phi)}{\partial \phi} \right]
\]

The staff of the *Journal of the Atmospheric Sciences* regret any inconvenience this error may have caused.
