MicroRNA sequences are now publicly available.

Page 6270, last paragraph in Materials and Methods, line 1: “Microarray data accession number” should read “Accession numbers.”

Page 6270, last paragraph in Materials and Methods, line 4: The following sentence should be added. “MicroRNA sequencing data have been deposited in the NCBI BioProject database under accession no. PRJNA429684 and in the NCBI Sequence Read Archive under accession no. SRP128960.”
