INTRODUCTION

This volume of the Survey Reports is the Proceedings of the Hokan, Penutian and J.P. Harrington Conferences, held at the University of California at Berkeley on June 28-29, 1996. Part I includes five of the papers that were presented at that conference, and also a paper by George V. Grekoff, who was unable to attend the conference but arranged in advance to submit an article for inclusion in the Proceedings. During the conference, a memorial session was also held for Mary R. Haas, who died a month before the conference. Part II of this volume consists of the presentations that were made about her life and research.

We gratefully acknowledge grants from Joseph Cerny, Vice Chancellor for Research and Dean of the Graduate Division, and William Simmons, Dean of Social Sciences, that helped make this conference possible.
